## NEWS AND VIEWS FROM SUPERTEMPS

Issue 2, May 2005

Already in the second quarter of our 25th anniversary year and what a hectic few months it has been in the Supertemps office! March was our anniversary month and was busy, busy, busy with promotional campaigns, website development and the launch of our new branding / logo. We were open every Saturday during March for interviews and were, all in all, pretty exhausted come the beginning of April!

The upcoming quarter is looking busy too with National Temporary Workers Week, the start of our Super Student Scheme, mountain challenges and much more. . .

### *Out and About*

The Rhyl Jobs Fair back in February was a great success from a recruiting point of view. For those of you who joined Supertemps as a result of that day - Welcome!

### CONGRATULATIONS!!!!

Sarah West has recently passed her Foundation Award in Recruitment Practice with a distinction. Both Sarah and Karen now hold the prestigious REC award.

### CALLING ALL STUDENTS!!

Once again this summer we will be running our popular Super Student Scheme between June 13th and September 30th. Over this period we have numerous penniless students who wish to earn and gain experience during their college holidays. We promote their services to our clients at exceedingly competitive rates resulting in students gaining valuable work experience and earning decent money, clients paying a lower rate for a job well done, and us keeping everybody happy! If you are aware of any students who may be seeking work for their holidays feel free to send them along! The scheme is very popular and works well.

**6th - 10th June 2005** is National Temporary Workers Week. There are 1.5 million temporary workers in the UK and this week gives us, as agencies, the chance to say thank you to you for all the work you do throughout the year. On Friday 10th June we will be inviting all our temps to come to lunch with us and have a glass of bubbly at our offices. You'll also get the opportunity to enter our prize draw and win a £50 dinner-for-two voucher at a restaurant of your choosing. Further details will follow shortly.

# Temporary Employment Means Permanent Satisfaction

## CHAMPAGNE BREAKFAST??

In order to attract quality candidates during our anniversary month of March we offered a bottle of bubbly to each candidate interviewed. Unsurprisingly this appeared to go down very well . . . but we're not sure how it looked with candidates leaving the office with bubbly at 10.30 in the morning!

### A walk in the park . . .

On June 25th Sarah Patterson will be undertaking the Welsh 3000s Challenge in aid of Hope House Children's Hospice in Conwy. The challenge consists of climbing all the peaks in Snowdonia which are over 3000ft - in under 24hours....and there are 15! Obviously the idea is to raise as much money as possible for the Children's Hospice in Conwy and all donations, no matter how large or small, will be gratefully received. If you would like to sponsor Sarah please call her or email: [sarahpatterson@supertemps.co.uk](mailto:sarahpatterson@supertemps.co.uk) Thanks!

## DID YOU KNOW?

In her spare time **SARAH PATTERSON** enjoys climbing mountains (see "A walk in the park" above) Before becoming a Director of Supertemps she worked with soap giant Proctor & Gamble and a local corrosion engineering company here in North Wales.

**DOROTHY PATTERSON** spends her days off in the garden. Before starting Supertemps (25 years ago!!) Dorothy worked all over the world for the Foreign and Commonwealth Office.

**RACHEL FOX** is our accounts whiz! She is a very keen climber and can often be caught dangling off a rope at precarious angles on a climbing wall!

**SARAH WEST** holds a degree in Law from the University of North London (so watch what you say!!) She also has the ability to play the flute and enjoys swimming - but not both at the same time!!

**KAREN JONES** is our resident computer boffin. She is THE most accident prone person you will ever meet!! She has recently purchased a 12 foot trampoline - so watch this space for accident reports!!!

## UP AND RUNNING!!
