

About us

Introduction

Welcome to the first ever edition of **Temptimes** the new quarterly Supertemps newsletter - and what better time to introduce it than the year of our 25th anniversary.

We thought it would be a good idea to keep you all updated with what's going on at Supertemps, interesting announcements, legal updates, chances for you to have your say and such like. Hopefully Temptimes will keep you posted, interest you and maybe even amuse you ever so slightly...

25 years?!

Yes, it's 25 years in March since Dorothy Patterson sat up all night with a couple of friends undertaking some urgent typing for a local businessman. Little did she know that the demand for such a service would snowball into the business that Supertemps is today! However, the company is only as good as the staff it supplies. We try to select the best and believe we have been successful in doing so over the past two and a half decades. Thank you all for your commitment and professionalism - it is often commented on by clients and is what sets us apart from the competition.

Sarah Patterson - Director

SHE'S the boss! (and also a chocoholic!) Sarah's favourite quote is "Shoot for the moon - even if you miss it, you will land among the stars!" You will catch her saying - "YOU MUPPET!"

Dorothy Patterson - Director

Very part-time and is the person who cares for us. Dorothy's favourite quote is "Don't be afraid to take a big step. You can't cross a chasm in two small steps!" She usually asks "Are we all ok?"

Rachel Fox - Accounts Manager

The lady who gets stressed when timesheets are late! Rachel's quote is "There's non reet but me & thee and tha's funny a bit!" You will hear Rachel saying "Bless 'em!"

Sarah West - Recruitment Consultant

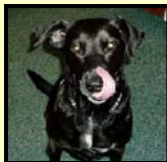

The creative one (see computer competition on back page). Sarah's favourite quote is "If life hands you a lemon, make lemonade!" And have you heard her say "As I say"?

Karen Jones - Recruitment Co-ordinator

The one who everyone laughs at! Karen's quote is "Smile, and the whole world smiles with you!". You can usually catch her saying "Bums!"

Bess the office dog!
